

# LCAC

Lake County Advancement Committee

## LCAC Monthly Meeting

**Friday, September 17, 2010**

**12 Noon Luncheon - Teibel's Restaurant, Schererville, Indiana**

### **Topic: Clean Cities**

**Carl Lisek** is the Owner/Vice President of Legacy Environmental Services, Inc. and Co-Executive Director of South Shore Clean Cities (U.S. Department of Energy). He has over 25 years of environmental experience working on environmental projects throughout the United States. Since 2003, Legacy Environmental Services has been working to support resource conservation, smart growth, air quality/emission reductions, alternative fuels and implementation of renewable resources (wind/solar/geothermal). Legacy Environmental Services is on track to have secured more than \$15 million in funding for clients by the first quarter of 2011, and has managed more than 75 federal, state, and foundation grants. Since 2006, Carl and his wife Lorrie have been Executive Co-Directors of the U.S. Department of Energy Program. South Shore Clean Cities strives to advance Indiana's economic, environmental, and energy security by supporting local decisions to adopt practices to reduce petroleum consumption.

To make reservations, please email [Caitlin Mills-Groninger](mailto:cmillsgroninger@ccsj.edu), Coordinator of Special Events for Calumet College, at [cmillsgroninger@ccsj.edu](mailto:cmillsgroninger@ccsj.edu) or call 219-473-4325 by September 8. Guests are welcome.

The cost for the luncheon is \$20 per person and will be collected at the door. Only cash and checks will be accepted, and checks should be made payable to LCAC. The meal choices (please tell your server at the time of the luncheon) are perch dinner or chef's salad.

**In our efforts to move into paperless notification for luncheons, please take a few moments to send your email address to Caitlin Mills-Groninger.**

The mission of the **Lake County Advancement Committee** is to *identify* major social, economic, and policy issues impacting the citizens of Lake County, Indiana, to *educate* our members and the public about these important issues, and to *propose possible solutions* that arise from our dialogue.
