BIOFUELS CORRIDOR

fuel retailers and SSCC members participating in this project are Family Express and Gas City. Kick-off events to celebrate this project are scheduled for October 7 – 9. General Motors is providing vehicles for the I65 Biofuels Drive. Local events will be held at Gas City in Hammond and Family Express in Demotte on October 7, 2008. The final event will be held in Clarksville, Indiana with representatives from Alabama,

Kentucky and Tennessee on October 9, 2008. Contact our office for more details on this historic event!

National AFV Day Odyssey, October 3, 2008

South Shore Clean Cities is partnering with Ivy Tech College, Valparaiso, Indiana Campus, to present National AFV Day Odyssey, Friday, October 3, 2008. Mark your calendars now to attend this event dedicated to promoting cleaner choices in transportation! Learn how you can help ease our dependence on foreign oil through the use of alternative fueled vehicles and advanced technology. Contact our office for more details.

"Kick the Idling Habit"

Watch for information on the SSCC "Kicking the Idling Habit" Campaign! Partnering with the Indiana Department of Environmental Management, SSCC will be spreading the message to "Kick the Idling Habit"! Unnecessary idling wastes fuel and money. Reducing or eliminating unnecessary idling decreases our nation's dependence on foreign oil, reduces fuel costs, engine wear, harmful tailpipe emissions and noise. Change your habit and "Kick the Idling Habit"! Visit www.smartidle.com for more information.

Coordinator's Corner

Where did the summer go? SSCC has been busy promoting alternative fuels and lessening our dependence on foreign oil across Northern Indiana. With your support, we are making a difference! Our kickoff celebration is finally here for the Biofuels on I65 – America's First Biofuels Corridor! Please don't miss these events to be held October 7 – 9 across our state. Make plans now for Odyssey Day on October 3, 2008. Watch for upcoming events and projects this fall. These include:

- First Responders Training
- Co-hosting a "Green Radio Show"
- "Green" Port Event
- Hybrid Truck Users Forum Oct. 14 -16
- SSCC Board of Directors Summit
- "Kicking the Idling Habit" program
- School Bus Retrofit program
- Municipal vehicle retrofit program

We will need your support to make these programs a success! Thank you for all you do to further the Clean Cities Mission.

Thanks for being part of the solution,
